ferruCare - We take care of your can seamer

SERVICE CONTRACTS TAILORED CAN SEAMER SERVICE

SERVICE CONTRACTS

TAKE ADVANTAGE OF A PRE-MADE PACKAGE. OR BUNDLE YOUR OWN.

FerruCare is a comprehensive **suite of services** designed to keep your Ferrum Can Seamer operating at peak performance. With ferruCare you enhance **production efficiency**, minimize **downtime**, and simplify the **administrative processes**.

REDUCE ADMINISTRATIVE HASSLE

- + Makes maintenance of your can seamer predictable and efficient
- + With annual inspections Ferrum recommends the necessary spare parts
- + On-site refresher trainings keep operators skilled and your production efficient

COMPLETE COST CONTROL

- + Includes all modules of the Basic Package
- + All essential spare parts at a fixed price
- + Virtual support & remote expert assistance
- + Guaranteed seam performance as sold – for 8 hours after the annual overhaul

With the **Ferrum Service Contracts**, you get exactly the services you need.

The service contracts are available in three preconfigured packages: **Basic, Advanced, and Premium** — each building on the previous one, offering enhanced features and additional support.

Since every production facility has its own specific requirements, we offer the flexibility **to tailor your solution** — by combining the modules that fit you best.

Please note that the availability, features, and scope of this service may differ slightly by region.
