**QUALITY ASSURANCE FROM ONE SOURCE**

# ferruCare

## WE TAKE CARE OF YOUR SEAMER

Beverage lines are as diverse as the requirements for service contracts. Our modular service system allows maximum individuality as you can bundle different services according to your needs. The three packages Basic, Advanced, Premium are examples of combinations. One builds on the previous package.

### OPTIMIZE PLANNING

- + Efficient planning through predefined inspections and overhauls
- + Full transparency of TCM allows reliable budgeting

### MINIMIZE RISKS

- + Reduced downtime in case of a machine breakdown due to predefined support agreements
- + Performance assurance in form of guarantee extension

### CONSISTENT QUALITY

- + Increased quality thanks to knowhow transfer in trainings and additional support
- + Predefined intervals ensure optimal maintenance cost
